If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Applicant's remarks regarding claim 1 are persuasive. De-skewing refers to a method to correct the offset of the position of a wafer that is loaded onto a stage (see paragraphs [0005] and [0006] of the Specification and p. 5 of Applicant's remarks dated 3/22/2006). Nishihara's disclosure, however, is related to determining the alignment between layers formed on a wafer and not the offset of a wafer loaded onto a stage. Accordingly, Nishihara's method is for aligning wafer layers rather than de-skewing wafers, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Colin M. LaRose whose telephone number is (571) 272-7423. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian Werner, can be reached on (571) 272-7401.
